This “**Master Index**” contains references to the 2018 and 2017 Legal Updates (LU \*\*, page #), as well as the 2017 Lending Fundamentals (LF, page #) book; the 2018 Operations Manual (OPM, page #), the 2018 Account Documentation (AD, page #) book, and the 2018 Deposit Compliance (DC, page #). This index is divided into the following categories, which are arranged alphabetically for easy reference:

CHECK COLLECTION/ACH.....	5
DEPOSITS .....	15
LENDING/REAL ESTATE .....	33
MISCELLANEOUS .....	55
SECURED TRANSACTIONS .....	81
CASES .....	88

To some degree, topics have been cross-referenced. This Legal Department Publications Master Index, as an Adobe file, **is searchable electronically**, by clicking on the binoculars in the toolbar, and entering a search word.

The index includes reference to **all** stand-alone memos, **all** tidbits, and **all** bank-related cases. The index does not list every item listed in the Regulatory Mailing and State Legislation sections, but rather refers only to selected key topics of continuing interest (or items which provide background and understanding).

Legal Update books published prior to 2017/2018 are now obsolete, and still-relevant information has been incorporated into the most current edition of at least one of the following: Account Documentation Manual, Lending Fundamentals Manual, or the Operations Manual.
