FREQUENTLY ASKED QUESTIONS

Why does the KBA PAC give to members of both political parties? **The KBA PAC is nonpartisan in its selection of candidates to support. Party label is not considered. KBA PAC focuses solely on supporting quality candidates who help promote a strong and competitive banking system in Kansas.**

Does any part of my contribution go toward the administration of KBA PAC? **No. One hundred percent of your contribution to KBA PAC goes directly to political candidates, campaigns and activities.**

Why does BankPAC need me, I am only one person? **It does not matter whether you are a senior officer, director or part-time teller—your participation MAKES a difference. If you benefit from the banking industry in Kansas, you have something to lose if negative laws are passed and much to gain when positive laws are passed. A strong support from the banking industry helps to make our voices heard.**

What ways am I able to contribute to PAC? **Individual contributions to PAC can be made by writing a personal check to KBA PAC and submitting with the enclosed form or through payroll deduction by your employer.**

Are political contributions tax deductible? **No. Contributions to PAC are not tax deductible for federal income tax purposes.**

If you have additional questions or would like more information, please contact Doug Wareham or Julie Taylor and the KBA at 785/232-3444.

“ \$130,000 in 2017”

From Bank Director to CEO to loan officer to teller....EVERY bank employee is needed to help promote a strong banking system.

KBA BankPAC is a statewide, non-partisan Political Action Committee (PAC) organized by the Kansas Bankers Association to benefit the entire banking industry through political contributions to state and federal candidates.

Through the financial support provided by the KANSAS BANKERS ASSOCIATION BankPAC, we are able to support legislators who support the banking industry and those that vote on legislation affecting your financial institution. Without a well-funded PAC, our voice in government will be weakened, thus affecting everything that happens in your bank.

KANSAS BANKERS ASSOCIATION BankPAC

The KBA BankPAC is actually two separate accounts. We have a federal account which supports candidates at the national level and a state account that supports candidates at the state level. State contributions are raised through corporate contributions, where federal contributions are typically raised through personal contributions.

The KBA Ad Astra Club was formed to recognize individual contributors who make a personal contribution to BankPAC.

The "Fair Share" and "Super Fair Share" designation is used to recognize banks and bank holding companies.

INDIVIDUAL CONTRIBUTOR BENEFITS

- Individuals are recognized throughout the year in mailings, the *Kansas Banker Magazine* and at special KBA events
- Individuals contributing at the \$100, \$250, \$500 and \$1,000 levels will receive a special "token" of appreciation at year-end.
